

Power (Not Ours) in 2024

Sunday April 21st – *Pray for the persecuted*

Farid, living in Iran, placed his trust in Christ six years ago, but with no church to attend, he has not grown in his faith. While riding an elevator, Farid was startled when a woman gave him a magazine as a gift. In the magazine was a story about believe4rs who, like him, had given their hearts to Jesus but then forgot that they even were Christians. Another story discussed a worship song that Farid remembered from a Christian satellite TV channel years earlier, “Right then I was encouraged to renew my forgotten faith with God.” he said. Pray for Farid.
