

Resilience on God in 2025

Sunday June 22nd – Pray for the persecuted

Ibrahim, an Ethiopian, converted to Christianity from Islam in 2021 and immediately began sharing the Gospel. In one year, he led 80 Muslims to Christ, and also disciplined them, in spite of death threats. On May 15, 2025, he was witnessing in a rural area; when he was approached, told it would be his last time to evangelize and was shot. He was rushed to the hospital, where he died three days later. He leaves behind a wife and two young children. Pray for them, for their church, and for God's kingdom to continue to advance in Ethiopia.
